

Welcome to our new newsletter!

The Network wishes all of our dedicated members a very Merry Christmas and a prosperous New Year! We appreciate the support you have provided to the Network this year and we look forward to what the future holds for us as a business community.

Meet the Vice President!

Born and educated in Melbourne, Kimberley has lived permanently on the Island for 21 years. A teacher by trade, however, after owning and operating multiple businesses within the Bass Coast Shire since she was 19 years old, and with a love for hospitality, she has now found herself as the General Manager at North Pier Hotel for the past 4 years.

Kimberley was a Bass Coast Shire Councillor from 2012 - 2016, and Deputy Mayor and Mayor with involvement in all different community groups across Phillip Island & Bass Coast. Major events (big or small) and tourism, are a passion of hers for the economic, social, and wellbeing value that they bring.

Currently a board member of the Australian Grand Prix Corporation and Table Tennis Victoria. Secretary of the Phillip Island & San Remo Liquor accord and Secretary of the Grantville Environmental Review Committee, Kimberley likes to keep herself busy.

Any spare time she gets is spent in her vegetable garden or with her fur-daughter (Poppy the black pomeranian), and when covid allows dining out at small restaurants and bars.

Christmas competition winner

Congratulations to Tori Ryan from Cowes Primary School for winning the Island Ward Christmas Display Competition! The prize for the business winner of the Island Ward has been provided by Phillip Island Business Network and is valued at over \$1000, including the following:

- North Pier - \$100 voucher
- Wildlife Coast Cruises - \$150 voucher
- Flowers of Phillip Island - \$200 voucher
- Phillip Island Business Network- Membership - \$100
- Barefoot Potential - 2 New Member Passes - \$120 voucher
- 4 x 10 min Go cart sessions at P.I. Circuit - \$140 voucher
- Family pass to A Maze'n'Things - \$140 value
- 4 parks pass to Phillip Island Nature Parks - \$55 value

Christmas networking event

On the 17th of December the Network hosted a Christmas networking event at the Cheeky Goose, where Senior Sergeant Andrew O'Brien provided a COVIDSafe Summer briefing. In the briefing Andrew admitted that this summer will be challenging due to the increase of crowds, however he believes that the businesses in the area are equipped with the right information and guidelines to operate safely. He encouraged the attendees to report any breaches or concerns to the COVIDSafe hotline, and stated that there are two daily vehicles of Police Officers across Bass Coast Shire to attend these reports. In response to questions regarding the compliance of COVIDSafe protocols in local businesses, Andrew stated that the DHHS will have inspectors checking shops and eateries in the area - particularly because of the high amount of tourists which will be brought to the area. The Cowes Police Station has begun operating at a 24hr capacity, and will remain so until the end of Australia Day weekend.

If you have any questions please contact the COVIDSafe hotline (1800 020 080) or ask the Cowes Police Station.
