Facebook - network members only page

The objective of this page is to extend our support of members to embrace the support of each other on a platform that connects local businesses that adds value and growth to our region.

A forum for positive Business to Business discussions is encouraged.

We request that you abide by the stated rules to ensure you remain a valued member of PIBN.

Our members collectively have an impressive skill set that we can share. Don't be shy. If you have what it takes to support another business, please reach out.

The Phillip Island Community is resilient that we know; however, a shared load makes for a light load. Friday's, you are invited to post straight business advertising if you wish. We do request that you limit this to one post a week. From the PIBN Committee, we say welcome!

Dianne's Venture Tours

Dianne Ray has a background that includes education, property, hospitality, travel, and lifestyle industries for many years.

She has a strong passion for meeting and helping people and enjoys delivering exceptional experiences for people.

Dianne is a lover of sport, nature, travel, food, wine, and meeting people. Dianne shifted to Newhaven, Phillip Island, from Queensland at the end of 2015. Dianne had lived on the Island many years ago, and two of her children were born on Phillip Island. In total, she has four sons and seven grandchildren.

In late 2015 Dianne started her own tour business called Dianne's Venture Tours - Phillip Island. The idea was to specialise and personalise small group tours. In 2018 Dianne's company purchased Exceptional Phillip Island Area Tours.

In 2020 Dianne added more business names connected to her tour business, including Phillip Island Wine Tours and Phillip Island Boutique Tours, each with their focus.

These tours are small personalised tours operating not only on Phillip Island but Wilsons Promontory, Mornington Peninsula, and the Great Ocean Road. Added to this long list of ventures, Dianne also manages Beach Holiday Homes - Phillip Island, a holiday rental property management on Phillip Island.

Proudly a Quality Tourism Accredited Business, a member of VTIC, Destination Phillip Island, Phillip Island Business Network, and have licenses with Phillip Island Nature Park, Parks Victoria and is a member of the Phillip Island Golf Club.

Meet committee member, Shane McLaren
Graphic designer, illustrator, and Creative Director of SMAC Advertising based in Cowes.

With over 30 years of experience working in-studio and independently as a freelancer, I enjoy building brand identities, advertising campaigns, digital products, and promotional material for small businesses and large corporations.

Having a background in fine arts, I also love illustration and can create custom creative solutions for businesses that want to stand out from the crowd.

I enjoy nothing more than a caravan adventure or an afternoon with a live band when I'm not making the world look better.

The Spicy Duck Team

August marked our team celebrating four years of trading. Having opened in 2017, The Spicy Duck has grown along with the community. Whether it was good fortune or good planning (possibly the fantastic food), the Spicy Duck has seen significant growth in patronage throughout the years as San Remo has grown.

These last two years have been more difficult at times; however, the support from the local community has ensured we continue to trade and, importantly, have meant we have been able to keep our staff/team together. Holding onto the team at these times is extremely important to us.

In particular, it is not easy to find Thai-trained cooks who live in the area that allows us to offer an authentic Thai

experience. We are very grateful to the local community for their tremendous support when we can only cook takeaway meals, and our staff has had to ride the roller coaster with us.

Pop on over the bridge to The Spicy Duck or order over the phone: 56 785 020 and visit: www.thespicyduck.com for our menu.

PIBN AGM

It's time for PIBN to hold our Annual General Meeting.

We value our member's contributions so, in the upcoming weeks, keep an eye on your inbox for the opportunity to participate in a short survey. Your feedback and suggestions will assist in a positive direction moving into 2022.

Festival of Motorsports

PIBN and other stakeholders scheduled weekly meetings with MotoGP to prepare for the Festival of Motorsports planned for October.

Thank you to all who keenly demonstrated enthusiasm and support for what would have been a boost for Phillip Island and the surrounding region. Despite the short notice of just nine weeks, much organising and planning had already been achieved for the event when Covid restrictions again trumped us with the cancellation of the event announced.

We look forward to working with MotoGP on other upcoming events.

COMMUNICATIONS

Having had restrictions eased for Rural, we hope you all enjoy the school holidays, enjoy being out and about (keeping to the government's regulations), and make it count.

Remember to visit your favorite shops and "support local small businesses." Could you pop in and say hello to them? You will make their day.
